MINUTES

1. Welcome

1.1 VIPA International antitrust compliance statement

Raquel welcomed participants to the call and asked them to respect the antitrust compliance statement of the association.

1.2 Approval of the agenda

The agenda was approved with no changes.

1.3 Approval of the minutes of the previous conference call (27 August 2017) and review of action items

Members approved the minutes. All actions were completed.

2. China standardisation group on VIPs

Miaotian Sun was not able to join the conference call to report on this topic.

3. VIPA website in mandarin

Raquel mentioned that the number of visits to the Chinese section of the website is not that considerable despite the efforts to translate to Chinese Madarin and to get a Chinese domain name. Raquel asked if websites are the best tool to reach out to Chinese/Asian market. Participants in the call were not able to answer and suggested asking the Asian members.

4. Increasing membership in Asia

Raquel asked members for suggestions to increase members in Asia. Ken Zhao said he started this position not so long ago and still needed to get famililar with issues. He would check what we could check.

5. Other items of relevance in Asia

No Asian company was present in the call so this item was discussed in detail.

6. Any other business

No other item was discussed.

The call finished at 10:40.
